VIII Fuerteventura Open Karate Championship

Morro Jable, 5th october of 2019

Osu,

Dear Shihans, Senseis and Senpais,

I'm pleased to present you with the Fuerteventura Open Championship 2019. It's an honour for me to consolidate this project with it's eight's edition and to organize it with the support of IKO Spain, the municipality of Pájara and the Island's Government of Fuerteventura.

This great event will take place October, 5th, 2019 in the sportshall in the town of Morro Jable, Pájara, Fuerteventura. (Mascona 6th Street)

Latitude: 28º 3'26 North Longitude: 14º 21' 13 West **U.T.M. X: 563.515'83 Y: 3.103.684'89**

We are looking forward to celebrating some great days of Kyokushin with all the competitors, referees and supporters and participating teams, and spectators.

Like in the previous editions, we expect to live the Spirit of Kyokushinkai in every single fight, to see the results of the hard training with humility and the courage and spiritedness to enter the tatami to encounter fight after fight, accompanied by a cordial atmosphere before, during and after the competition.

With the aim to build up and achieve the quality of the tournament, we base ourselves on the modesty, ambition and serenity which taught us Sosai Masutatsu Oyama during his life, which persists during time through the teaching of Kancho Matsui and through all the Masters who teach Kyokushin every day in their dojos.

We look forward so seeing you all on October, 5th, 2019 at the VIII. Open Championship Fuerteventura

Many thanks in advance
Osu

Shihan Antonio Roca
