**VI Fuerteventura Open Karate Championship 2017**

**Morro Jable, July 8th of 2017**

Dear Shihan, Sensei and Senpais,

I am pleased to present the VI Spanish Open Karate Fuerteventura 2017. In its Sixth Edition is already consolidating as a large project that I have the honor to organize with the support of IKO Spain, City of Pájara and Fuerteventura's Cabildo.

This great event will take place on July 8th, 2017 in Campo de Lucha located in Morro Jable Pájara Fuerteventura

The goal of the Organization is to provide everybody a great day of Kyokushin that competitors, technical staff, officials from each of the delegations and the public attending the championship can enjoy.

As in previous years we hope to revive the spirit of Kyokushinkai in each, enjoying every moment generously offered by all participants as the result of their hard training, the impregnated humility in each technique, the brave and the courage to enter the tatami and face fight after fight and the friendly atmosphere present at all the times before, during and after the competition.

We will rely on modesty, ambition and serenity transmitted to us by Sosai Mas Oyama and in the way that endures over time through the teachings of Kancho Matsui and all teachers who each day teaches in the Dojo, to get shape and quality at the championship.

I am looking forward to meet everybody next July 8th 2017 VI Spanish Open Karate Fuerteventura.

Thank you very much in advance.

Osu!

Shihan Antonio Roca
